No. 202-ITC(PN)/68.—Attention is invited to the remark against S. No. 93-94(a)(iv)(v) in Section II of the Import Trade Control Policy (Red Book—Vol. I) for the period April 1968—March 1969, wherein it is stated that the import policy for actual users will be announced later.

2. It has now been decided that the import of Rough blanks other than bifocal blanks (S. No. 93-94(a)(iv)(v)), will be allowed to actual users on a restricted basis. The import will be allowed upto 5 per cent of the face value of the licence or Rs. 2,500, whichever is less.

3. The existing remark against S. No. 93-94(a)(iv)(v) in Section II of the Import Trade Control Policy (Red Book—Vol. I) for April 1968—March 1969 may be deemed to have been amended accordingly.

SUBJECT:—*Import Policy for Registered Exporters for the year April, 1968—March, 1969—Submission of bank certificate.*

No. 203-ITC(PN)/68.—Attention is invited to paras 111(3) and 111(5) of the Hand Book of Rules and Procedure 1968 published by the Ministry of Commerce under Public Notice No. 57-ITC(PN)/68 dated the 8th April, 1968.

2. According to the above paras, the banks have to forward the original copy of the certificate along with a copy of the invoice directly to the licensing authority concerned and the exporters, at the time of submission of their applications for grant of replenishment licence are to quote in the application the number and the date of the certificates issued by the banks for each of the shipment covered in the application.

3. The above provisions have been reviewed as a result of several representations from the trade and it has now been decided that while the banks will continue to send the original copy of the bank certificate alongwith the copy of the invoice directly to the licensing authorities, the exporters at the time of submission of application will, in addition to indicating the numbers of the bank certificates, enclose copies of the bank certificates received by them from the banks. In view of this decision, para 111(5) of the Hand Book of Rules and Procedure, 1968 may be amended to read as under:—

“The exporter at the time of submitting his application for grant of replenishment licence in accordance with the prescribed time schedule, will quote in the application the number and date of the certificates issued by the bank for each of the shipments covered in the application and will also enclose a copy of each of such bank certificates”.
